We're about to start work on a full kitchen and prep room area refit including equipment supply and install for the Sigiriya Sri Lankan Restaurant in south Manchester.

We offer a full preventative maintenance and service package ensuring that your equipment works safely and efficiently.

Find out more about how we can save you time and money by emailing us - enquiries@safeguard.uk.com

We were delighted to donate a commercial washing machine to the Mahdlo YZ project supporting young people who don't have access for washing their clothes. We'll also be attending their annual 'Get A Job' Awards.
